

FOR IMMEDIATE RELEASE

**“LAST CLOUDIA” English Version from AIDIS Now Available!**

**TOKYO — October 17, 2019** — AIDIS, Inc. (Head office: Shibuya, Tokyo, CEO: Hisatoshi Hayakashi), a global mobile games developer and publisher, announced that mobile role-playing game “*LAST CLOUDIA*” is now available in English after launching locally in Japanese earlier this year.

The English version of “*LAST CLOUDIA*” is now available in the United States and Canadian App Stores and Google Play. AIDIS is planning to expand the service area, localize to even more languages, continue to build and expand our team to operate the game for more and more players around the world to enjoy.

Humans and monsters join forces in this strategy RPG set in a vast and vibrant world under siege by powerful demons. A rich storyline unfolds across the lush 3D landscapes of Granzelia, as knights, beasts, sorcerers, Gods, and God hunters battle to defeat evil. Players build and train an elite team as they explore bustling port towns, picturesque beaches and plains, perilous caverns and catacombs, walled cities, and mythical lands.

An immersive adventure with dynamic real-time battles, “*LAST CLOUDIA*” offers players unparalleled cinematic visual effects, vivid character illustrations and background art, captivating background music, and intricate pixel art. To create uniquely personalized teams, players train their heroes with highly customizable skills sets and equip “Arks” to dynamically boost stats and master battle skills over time.

“We are thrilled to bring the epic adventure and beautiful artistry of “*LAST CLOUDIA*” to a worldwide audience,” said Hiroshi Sasako, “*LAST CLOUDIA*” Producer at AIDIS. “From the moment players first join our heroes among the clouds on the deck of a skyship, they will know this is an experience like no other.”

### **Message from AIDIS CEO, Hisatoshi Hayakashi**

With the English release of “*LAST CLOUDIA*” soon approaching, I am delighted to say that I have been looking forward to its release as well.

I have confidence in this piece, all our staff have poured in their hearts and souls into this game for three years to create something wonderful that English speakers can enjoy as well. Please enjoy, with all your hearts, the system where 2D pixel characters are battling it out in 3D settings, the rich story and loveable characters, and much more!

We hope you enjoy playing our game!
