### ■ An original story unfolds during the event **The Scientist from Another World!**

Senku Ishigami and Kohaku find themselves in the world of **LAST CLOUDIA**, where magic flourishes, and even some technologies have developed. Thrown into this 10 billion percent land of fantasy, Senku and Kohaku enlist the main cast of **LAST CLOUDIA** to help return to the Stone World.

### ▼ Overview

In this event, players complete quests and collect materials found in **Dr. STONE** such as [Nitric Acid](#) and [Coal Tar](#). These can be combined to craft inventions from the anime.

In addition to the Ark, Stone World, other Arks lavishly depict key visuals of the original work. Event-only equipment, a 10 pull gacha ticket, and much more are available!

As this event will not consume event orbs, so players are free to participate in the event as much as they want!

\*Ark  
Stone World

### ■ Amazing Login Bonuses

Get up to 20 gacha tickets and Mother Souls in the **Dr. STONE** login bonus! More prizes await if you play every day!

## ■ The Popular Anime Dr. STONE

The TV anime **Dr. STONE**, written by Riichiro Inagaki and Boichi, shows science from a new angle. It's an adventure that depicts various human inventions ranging from the Stone Age to the Modern Era!

After a sudden and mysterious incident, the human race was turned to stone for thousands of years. A young genius scientist by the name of Senku Ishigami is the first to awaken from his petrification. Facing a stone world where humanity has seemingly collapsed, Senku decides to bring back civilization using the power of science. Around the same time, Taiju Oki, a young man with brilliant physical strength, was awakened from the stone as well. Teaming up with Senku, they both start on the path of rebuilding civilization from scratch.
