

## Last Cloudia Celebrates Its 2nd Anniversary with the Release of Knight Lord Kyle!

[TOKYO, JAPAN – April 13, 2021] Mobile game developer and publisher AIDIS Inc. announced the release of Knight Lord Kyle, a new version of the main character of their popular smartphone RPG Last Cloudia, to coincide with the game's 2nd anniversary on April 15, 2021. Additionally, new units, arks, story quests, and game features will be added, and a variety of amazing in-game rewards will be given to all players to celebrate this milestone.

**Knight Lord Kyle, A Shift of Last Cloudia's Main Character, Kyle the Swordsman Released!**

### Knight Lord Kyle (Voice: Kenichi Suzumura)

*This power is not mine alone.  
It's the power of the bonds  
I've made with everyone.  
So, let's do this together!  
Let's fight to save the world!*

### **The Knight Lord awakens to his true power by protecting his friends from a powerful enemy!**

This unit's trait, Knight Lord, gives party members a barrier that reduces damage to zero when lethal damage is taken. His other trait, Heir of Adel, provides the party powerful buffs to help turn the tide of battle. He also has the powerful new skills Hero's Wings, which increases break time for bosses, and Instant Strike, which has a chance to greatly increase damage from critical hits. This unit keeps the ease of use of Kyle the Swordsman but refines his abilities, making him into an incredibly powerful Fire attribute attacker just in time for the game's 2nd anniversary.

\*Knight Lord Kyle will be released in the Descent of Heroes Festival gacha on April 15, post-maintenance, and will be available until May 12 at 11:59 pm (PT).

## New UR Ark Kagutsuchi Released!

When physically attacking, greatly raise critical rate and critical damage as the unit's HP drops. Additionally, this extremely powerful UR ark gives Fire attacks a +3000 to their damage cap and has an ark skill that deals huge Fire damage to all enemies. Pair this ark with a fire attacker, and you'll have a ferocious force who can take down even the strongest of enemies. At 100% ark ether, you'll receive the powerful ★7 Fire attribute sword, **Spirit Sword Kagutsuchi**.

\*Kagutsuchi will be released in the Descent of Heroes Festival gacha on April 15, post-maintenance, and will be available until May 12 at 11:59 pm (PT).

## The Battle Against the God of Ruin Begins Here!

As Kyle and the others reach the heart of the continent of Adan, they finally enter the realm of the Lougseus, the God of Ruin. However, the party will face numerous trials on their way to their final battle with a god. Can Kyle and the others defeat the God of Ruin and return peace to the world of Granzelia?
