Fans of FULLMETAL ALCHEMIST BROTHERHOOD or Last Cloudia can get the new **Roy Mustang and Oh No, It's Started to Rain ark July 21, 2021, post-maintenance – July 28, 2021, 11:59 pm (PT).**

Details of these exciting new additions to Last Cloudia follow:

## Roy Mustang (Voice: Shinichiro Miki)

This hyperpowered Fire attacker's skills incinerate enemies near and far. His trait, *Hero of Ishval*, first powers up the unit when enemies are abundant, and then again after defeating them. His skill *Hawkeye's Cover* has a chance to deal a high impact Fire extra attack when using his skills or Special, making him a top-tier attack unit.

Additionally, he's an overall excellent Fire unit on account of his unique skills *Platoon Commander*, which applies a STR and INT buff to all allies at the start of battle, and *Don't Give Up on Living!*, which will heal an ally when they take lethal damage.

The unit Roy Mustang is guaranteed for everyone who spins the collaboration's Step-Up Gacha Pt 2 though Lap 3, Step 5.

## Oh No, It's Started to Rain

This ark boosts a unit's Fire skill damage. When an ally is incapacitated, the next Special that the unit uses becomes much more powerful. It also heals HP healed based on how much MP is used by magic, alchemy, or MP damage—which represents a huge boost to survivability.

This ark includes skills such as *MP Up III* and *Fast Aura*, which boost INT and MP, as well as Fire skills like *Fire Attack Raise* and *Fire High Drive*, which are perfect to further strengthen Roy's abilities. It also includes the collaboration original skill *Yes, It's Raining*, which boosts unit INT when an ally is incapacitated.

## Otherworld Alchemist Event

One of the most exciting features of this collaboration is the Otherworld Alchemist co-op quest, where all players work together to defend a location from attacking monsters. Quest rewards include collab tickets, event equipment, multiplayer stamps, a playable Alphonse Elric unit, and more. This quest was released in Part 1 of the collab event and will be available **July 15, 2021, post-maintenance – July 28, 11:59 pm (PT)**.

While adventuring, Last Cloudia main character Kyle and his companions pass through a city that is being attacked by beasts. After fighting a battle to defend the city, they find a mysterious, shining, red stone. A self-styled alchemist claims to have been seeking it and says that it was responsible for the beast attack. The alchemists and the heroes of Last Cloudia then decide to team up. Meanwhile, somewhere in the shadows, a female scientist smiles menacingly while clutching a red stone...

## Alphonse Elric (Voice: Rie Kugimiya)

This no-attribute tank protects his allies while still packing a punch. His unique skill, *All is One, All is the World*, increases ally DEF while the unit is alive. His other unique skill *Melee Master* has a chance to powerfully counter physical attacks. Meanwhile, his trait, *I'll Protect You All*, applies a barrier at the start of battle that nullifies one basic status ailment. His other trait, *Empty Armor Body*, increases DEF each time a skill is used.
